Barbara, Andrew

I am attaching revisions I made to Sury's version. I am not entirely happy with what we are asking in Theme 3 but at the moment this is all the revision I am able to make.

Ravi.

Andrew and I have written up a skeletal agenda for the formaldehyde workshop based on our discussion on Wednesday. Now you need to add additional thoughts and suggestions. Since many of you will be in Baltimore next Wednesday, we need to have your input by email. So please send us your input before you go to the SRA meeting as we need to compile and resolve any contradictions by COB Wednesday.

Thanks very much for your mental power!  
-Barbara and Andrew
